

EXAM CONTINGENCY DAYS 2026

The awarding bodies have designated Wednesday 24 June 2026 as the 'contingency day' for examinations.

The designation of 'contingency days' within the exam timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning.

Students must remain available to sit exams until Wednesday 24 June 2026 should an awarding body need to invoke its contingency plan.
